

California Radiologic License Renewal Credits Available by Attending the 100th Annual Meeting Western Section AUA, Kauai, Hawaii

The CUA is pleased to announce that it has obtained ASRT activity approval for Category A credit during the WSAUA 2024 Annual Meeting in Kauai, Hawaii. Urologists can obtain needed credits for X-ray license renewal by attending specific sessions while at the Western Section Annual Meeting. Note: 10 CEU are required to satisfy the California Department of Public Health requirement for renewing permits and certificates in radiographic technology. Urologists can earn these CEU credits at the same time they earn their CME credits. **Simply fill out the ASRT Attestation Form provided at the annual meeting to claim your credits, drop off at the Registration Table, OR Email to info@cuanet.org**

*Credit certificates are free to California Urologists courtesy of the CUA. **The value of this certificate is \$260.** Below are the sessions that have been qualified for the number of credits determined by the ASRT. Credits claimed must be non-conflicting sessions.*
